Ailsworth Accounting & Software Solutions Selected as Intuit Solution Provider

Virginia Beach, Virginia – July 25, 2011 – Ailsworth Accounting & Software Solutions announced today that it has been selected as an Intuit® Solution Provider. Ailsworth Accounting & Software Solutions offers a full range of value-added consulting services for Intuit business and financial management solutions. Intuit Inc., the maker of QuickBooks®, is the leading provider of business and financial management solutions for small and mid-sized businesses, consumers and accounting professionals.

The Intuit Solution Provider Program will enable Ailsworth Accounting & Software Solutions to better serve local small and mid-market businesses through the sale, implementation, and service of Intuit solutions that help businesses save and make money.

The Intuit solutions that Ailsworth Accounting & Software Solutions will support include QuickBooks Enterprise, QuickBooks Point of Sale, Payment Solutions, and Payroll Solutions.

"We are very excited to have Ailsworth Accounting & Software Solutions as an Intuit Solution Provider," said Keith Reed, Intuit's Vice President of Indirect Channels. "Their expertise in reselling and supporting small to mid-market business software solutions and their track record for customer satisfaction make them a valuable addition to our Solution Provider network."

About Ailsworth Accounting & Software Solutions

Lynn Ailsworth began Ailsworth Accounting & Software Solutions in January 2007 after working for two local public accounting firms for over 24 years. The company specializes in teaching small business owners and their staff how to get the most out of QuickBooks. Lynn Ailsworth has been working with and teaching

QuickBooks since 2000. As a small business owner herself, Lynn Ailsworth is passionate about teaching others how to maintain accurate and up-to-date accounting records. More information can be found at www.ailsworthaccounting.com.

About Intuit Inc.

Intuit Inc. is a leading provider of business and financial management solutions for small and mid-sized businesses; financial institutions, including banks and credit unions; consumers and accounting professionals. Its flagship products and services, including QuickBooks®, Quicken® and TurboTax®, simplify small business management and payroll processing, personal finance, and tax preparation and filing. ProSeries® and Lacerte® are Intuit's leading tax preparation offerings for professional accountants. The company's financial institutions division, anchored by Digital Insight, provides on-demand banking services to help banks and credit unions serve businesses and consumers with innovative solutions.

Founded in 1983, Intuit had annual revenue of \$3.2 billion in its fiscal year 2009. The company has approximately 7,800 employees with major offices in the United States, Canada, the United Kingdom, India and other locations. More information can be found at www.intuit.com.
